**Pensacola Opera's  
*Operazzi Ball: Night of the Golden Dragon*  
Planned for Saturday, April 2, 2011**

On Saturday, April 2, 2011, Pensacola Opera will host its annual Operazzi Ball at New World Landing. This theme of this year's ball is *Night of the Golden Dragon* to celebrate the Opera's March 2011 production of Puccini's *Turandot*.

The evening will include a sit-down dinner, dancing to music by The Allstars, and live and silent auctions. Dress is black-tie and can be inspired in the theme of ancient China. The evening begins at 6:30 p.m. with passed hors d'oeuvres and complimentary champagne.

Honorary chairs for the Operazzi Ball are Drs. Nell and James Potter. The Ball is co-chaired by Betty Roberts and Barbara Jackson. All proceeds will support the Opera's many initiatives, from professional mainstage productions to nationally recognized education and community outreach programs.

Tickets are \$150 each and table sponsorships are available. Reservations are required for this limited-seating event. Call (850) 433-6737 to reserve your seats today. For more information, visit [www.pensacolaopera.com](http://www.pensacolaopera.com).
